

HOW TO REGISTER MY ONE SHARES?

According to the Bank's Articles of Association (Art. 16 & 18), every shareholder wishing to exercise his/her voting rights needs to register his/her shares before a General Meeting.

1. Inform your custodian bank that you wish to register your shares with **Computershare** (ONE's share register holder)

2. Your custodian bank will ask you to fill in an application form (see below appendix #1 for legal entities or appendix #2 for natural persons)

3. Your custodian bank will countersign the form and send it electronically to Computershare

4. Computershare will register your shares accordingly

Important information

The registration request must be made before the deadline indicated on the General Meeting invitation (see section: "Demande de documents de vote"). After this date, the register is closed until the day following the General Meeting.

Legal entities should register their shares in "proprietary" in order to have voting rights (registrations as nominee or fiduciary do not give any voting rights at the General Meeting).
